| 3. Paulette Korte- Piasa-Gateway | 12. Tina Heinar- Dukane    |

- |                                   |  |
|-----------------------------------|--|
| 4. Amanda Reising-Dukane          | 13. Gregory W. Smith- Dukane           |
| 5. Barb Amling- Midstate          | 14. Richard Karr- Children of the Corn |
| 6. Kevin Smith-Open Roads         | 15. Pat Wendholt-Will County           |
| 7. Debbie Kueil- Southern Freedom | 16. JoAnne Medelmar- Will County       |
| 8. Kley Abel-Dukane               | 17. Mark Maedeker- St. Clair County    |
| 9. Mike Houd-                     | 18. Carol Wannemacher- Liberty         |

Meeting was called to order at 1pm with Ryan Hubbard leading in the Pledge of Allegiance followed by a moment of silence for members who have passed.

**Motion by Freeport, Flatlanders 2<sup>nd</sup> to approve April secretary notes with corrections, discussion, motion carried.** Discussion: Kat apologized for not putting in the failed motions. She still has them and will include them. She did not list the opposed votes for several motions and if you want your chapter listed, let her know.

Corrections: Chapters absent: Shawnee Hills listed twice. Blackhawk listed by mistake.

Chapters Present: Blackhawk should be included in this list.

**NPV/Hupy** Striking the sentences: Several chapters expressed their feelings on the matter. It was explained again that Hupy and any other attorney can advertise, just not in the area of personal injury. Also strike Secretary's note concerning failed motions further down the page.

New Business: 6. Legal Services: **River Valley motion, Northern Illinois 2<sup>nd</sup>, to follow the executive board's recommendation to open up the Legal Service Plan for bids, motion failed. Opposed: Beaucoup Bottoms, Central, Crawford County, Eastern Illinois, Embarras Valley, Freedom Valley, Freeport, Heart of Illinois, Heartland, Kiswaukee Valley, Liberty, Piasa-Gateway, Prairieland, Richland County, Shoal Creek, Southern Illinois, Thunder Rock, Twin Rivers.**

The following motions failed and were not included in the April minutes.

**Motion by River Valley, Embarras Valley 2<sup>nd</sup> to have a paper ballot concerning the motion as to whether or not Hupy stays on the NPV list, discussion, motion failed. Opposed: Apple Creek, Backroads, Beaucoup Bottoms, Black Diamond, Blackhawk, Central, Crawford County, Crooked Creek, Crossroads, Dukane, Eastern Illinois, Ford County, Freedom by Choice, Fulton County, Great River, Heartland, Kaskaskia Valley, Lamoine Valley, Liberty, Lincolnland, Piasa-Gateway, Salt Creek, Shoal Creek, Southern Illinois, Spoon River Riders, Starved Rock.** Discussion: River Valley asked if it was correct that members have a right to a secret ballot. Nothing was found in Robert's Rules of Order that stated this was the case.

**Embarras Valley motion, Dupage 2<sup>nd</sup> to get rid of NPV list, Southern Dupage 2<sup>nd</sup>, discussion, motion failed. Opposed: Apple Creek, Backroads, Beaucoups Bottom, Big River, Central, Crawford County, Crooked Creek, Crossroads, Eastern Illinois, Ford County, Freebird, Freedom by Choice, Freedom Valley, Freeport, Great River, Heart of Illinois, Heartland, Iron Riders, Kishwaukee Valley, Lamoine Valley, Liberty, Lincolnland, Open Roads, Pathfinders, Peo-Taz, Piasa-Gateway, Prairieland, Richland County, Shoal Creek, Southern Freedom, Southern Illinois, Thunder Rock, Twin Rivers.** Discussion: River Valley expressed concern that we are the only ABATE organization that has a list such as this. Heart of Illinois expressed their concern that without this list we would open ourselves up to public criticism and would not be able to do anything about it. We lead the country in motorcyclist's rights. Heart of

Illinois asked where the NPV list was- not in the bylaws, is it policy? Ryan answered it is stand alone. Starved Rock asked about the legality of the advertising ban? Freedom Valley recognized Ray Heck who explained since we are a private organization we would not be violating anything. A question was asked and answered that it has been a board motion since 1991 to give exclusive advertising rights to Rod Taylor. Embarras Valley wanted to clarify they feel this list hinders our growth. Pauli asked how can we vote to get rid of the list when we just voted to keep someone on?

**Motion by Open Roads, Thunder Rock 2<sup>nd</sup> to call the question on the above motion carried with none opposed.**

**River Valley motion, Dukane 2<sup>nd</sup> to remove the following language from the Non Preferred Vendor List: "Any individual or group advertising personal injury services in competition with ABATE Legal Services, including but not limited to", discussion, motion failed. Opposed: Apple Creek, Backroads, Beaucoup Bottoms, Central, Crawford County, Crooked Creek, Crossroads, Eastern Illinois, Ford County, Freedom Valley, Freeport, Great River, Heart of Illinois, Heartland, Kishwaukee Valley, Lincolnland, Old River, Open Roads, Pathfinders, Piasa-Gateway, Prairieland, Richland County, Shoal Creek, Southern Freedom, Southern Illinois, Spoon River Riders, Thunder Rock, Twin Rivers.**

Discussion: Open Roads asked about our current contract with Rod Taylor. Ryan explained that it was actually a BOD motion from 1991 that gave Rod exclusive advertising rights. Backroads asked if the language was removed, would Hupy be allowed to advertise? Ryan explained that it would not change that. **Motion by Freeport to call the question, Open Roads 2<sup>nd</sup>. Ryan said there were 4 opposed, but did not read them off and I did not get them listed, motion carried.**

End of corrections.

**State Coordinator:** Ryan reminded all that these are business meetings and members need to conduct themselves in a business-like manner, no personal issues, background noise at a minimum, follow Robert's Rules of Order.

**Tennessee:** In today's packet you will find an email/letter from Ed Domine about changing Tennessee's helmet law. Ed is asking for everyone to send a letter to the address listed and express your opinion on riding a motorcycle and spending money in a state where you cannot have your choice to wear or not wear a helmet. The emphasis should be on the money that could be spent or not spent in Tennessee.

**ON-D-GO** – Jean Hogan is retiring and the address will be changing. Only 500 plus on the list currently so Pauli will be taking addresses from member applications and Rich will be sending out an invitation to them to get updates via ON-D-GO.

**Junior Membership bylaw proposal** This has generated a lot of input- many chapters have youth programs in many different forms so chapters are working with youth already. Ryan thinks that most members agree we should be working with our youth. He feels all also agree there are age limits that are appropriate for certain events. Using common sense and age limits why not include children? In the proposed bylaw membership seems to be the key sticking point. If we take out that word, then chapters would be free to have junior programs.

Ryan also reminded all that if you don't like the direction the organization is being led, then step up in August and get on the executive board.

**Assistant State Coordinator:** Jim "Legs" Korte attended Heartland STEAM and sat in on the social media session. The MRF president spoke at Heartland STEAM and said he feels many of our type of organizations are losing relevance and we needed better marketing. Fatalities are always a concern and unfortunately 60-70% of those accidents are caused by our own errors. If we could just change this one fact, then there would be less pressure or rules from others. Europe's rules are tightening and will trickle down here. He also feels there is an erosion of focus on crash reductions. An organization is only as strong as the actions that allow it to be. Legs is also beginning to put workshops together for the state seminar and asks that any presenters do a synopsis of their session & a personal biography.

**State Office:** Pauli said there are ten chapters that have not paid their liability insurance of \$120.00. which is due July 1<sup>st</sup>. They are: Union Jack, Southern Illinois, Prairieland, Old River, Kaskaskia Valley, Hubbard Trail, Black Diamond, Flatlander, Tri County and Lost Creek. Ryan said if he remembered correctly it will be up to the board to take action if the insurance is not paid. She will be out of the office from July 6<sup>th</sup>-17<sup>th</sup>. Membership is up.

**Treasurer:** Julie Bacon explained that budget packets were given out today and they are due at the August meeting.

**Secretary:** Kat read off the chapters who have missed two meetings in a row. Chapter members have been notified.

**Legislative:** Shirley "Swirl" Lacock will be the ON-D-GO backup. Bob reported that HB3538 Poker Run/Gaming bill was amended in the Senate-he had to take out Cook County, so you can't end a run there as you will not have a permit. Cook Co wanted to charge \$800 for a permit. Chicago chapter talked on this, a lot of members are very dissatisfied and blaming ABATE. John "Hunter John" Harris talked about the need to get politicians to work with us, not against us. If they won't then we need to vote the politician out of office. Dukane has contacts with the Cook Co lobbyists and asked Bob & Hunter John to get the names of people that need to be talked to from Todd Vandermyde. Bob said we also need to talk to the Cook county board. Roger Leach question- are we too far down the road to amend the poker run bill? Bob said yes and he does not like the language either and is trying to change it to include all not for profits to give them the ability to have a poker run. If we dump the bill, runs can only be done for charities at this point. The house will be meeting each Tuesday this month and Bob hopes some progress will be made. Midstate said we will have to do some basic grassroots groundwork in Cook County.

HB3944- Accent lighting is on the way to the governor, but he is not signing any bills at this stage. Political infighting is messing things up. He wanted the governor to come to a motorcycle shop to sign, but doesn't think it will happen. HB4105- Blue dot lights: Most politicians didn't understand this so Bob took them an example. The legislators are too busy to do anything on this right now, so they asked Bob if it could wait. HB3626 The Illinois insurance agency will be doing research on this. Lane splitting- we told Bob and he told politicians that we are not interested in it at this time and looking for information from other states and their injury record. Thunder Rock recognized Mike Koester- who drives a bus and agrees it's not a good idea.

Autocycles: If there is an accident, it will be noted on the ticket that it is an autocycle and not a motorcycle. This will also be discussed at the MOTM. Midstate expressed their concern that

autocycles are still being issued motorcycle plates, so they will still get put with us. Bob said autocycles now have a different type of registration, but yes, they also need an autocycle plate.

**Federal Issues-** They are pretty much the same as last year. We need to get more cosponsors on the bills we support. He discussed the "black box" data recorder bill S766 and HR21 ethanol bill which calls for independent study on the effect of its use on small engines. The EPA has reversed their position on how much they want to produce as cars are using less fuel. AMA has an alert out on ethanol usage.

**General Assembly and Federal Proposed Legislative Agenda:** Bob only got two responses for input, one concerning auto cars and one for an Illinois Lemon Law. We will vote on this in August, so please look over the proposed agenda if you have not yet done so.

**Campaign help-** 18<sup>th</sup> District- Darin LaHood needs ABATE's help. Please call his office and volunteer as he has helped us in the past and if gets elected will be able to help us more.

**Political fundraisers-** If there are any in your area, please go to them. Even if it's the opposite party from how you vote, it is an excellent time to meet and talk to many politicians all at the same place.

**Meeting Of The Minds** is in Milwaukee September 24-26<sup>th</sup>.

**Washington D.C. trip** Bob recognized Elizabeth Winters. She talked about the Washington DC trip & introduced those who went. She felt it was ABATE's strongest team in years. They held meetings with all but one congressman and he was out of town. She felt very confident that all were on board with our concerns except for the ethanol issue because of the farming industry, but they did understand the concern with the effect of it on small engines. They agreed that outside independent testing should be done. She met with her congressman on new bill for motorcycle only checkpoints and others signed on later. We need to get all Illinois congressmen on it. Tell them you understand that WDC people talked to them. The team also met with Jeff Hennie and NHTSA and talked about autocars being lumped in with motorcycle statistics and our concern that there is no education given on how to drive them. Also discussed accident reports need to include autocars separate from motorcycles. NHTSA asked for our help in collecting data on experience of the various different techniques involved in driving different types of vehicle. Europeans are trying to push autocars through as motorcycles so they don't have to do testing like their cars. She thanked Darin LaHood for setting up the meeting and Judy Kaenel for her chapters input. Jeff Hennie also did a lot with the team and Dawn thanked him. She thanked all ABATE members for letting them go and represent our organization.

**Off Road-** John "Hunter John" Harris discussed a problem in the 18<sup>th</sup> District. Call Kayleen Carlson 847-651-6304 to volunteer. ABATE was founded to protect our rights and freedoms and we need to keep doing so. Off road parks are in limbo, the DNR is not doing anything. We did meet with them and the park was supposed to open in June or July. Now we are told the property was stripped so EPA says cannot use it- Federal laws. Hunter John feels we need to get rid of the sticker law if no action will be done as far as parks. **Motion by Southern Freedom, Thunder Rock 2nd to get rid of off road sticker from DNR, discussion, motion carried. BOD2015-08 Opposed: Southern Dupage.** Heritage Trail is having a four wheel poker run and thinks opposing this is good and may get more members. Starved Rock asked what do you have to do to get rid of it. Ryan said it is a current law from 2 years ago, but is not enforced because of our working with the DNR to get the park. We would have to file a bill to overturn the DNR Sustainability Act. Heart of Illinois asked if anyone was close to Towanda, Darin La Hood is marching in a parade July 4<sup>th</sup>.

**Activities:** Roger is gearing up for the state party. There is still one open shift from 6-9 am on Friday morning to do the gate. He went over the list of who ordered golf carts. There will be a dinner ride on Thursday night of about 80 miles. It will leave at 5 pm. Games are set for Saturday, the bands are

ready, and he said the people at the fairgrounds have been great. If you have any questions- call him. ATV's ok if you ride safely. If not, you will be asked to put it away once, then escorted out if you get it out again. There is a Saturday morning ride. Freeport asked about showers, there are four more plus they fixed the old ones. Freedom Valley asked why the date changed. It was explained it is always set for the weekend after Father's Day. Kevin "Cap" Goudschaal reminded all that ATV's are not allowed on the track or in the buildings. Please respect this because it took a lot to get them allowed. Piasa-Gateway brought up an incident at the Freedom Rally that involved a risk/safety factor. Freeport recognized Hunter John who said the man was warned before the parade about his behavior.

**Newsletter:** July deadline is today. July 11<sup>th</sup> is the deadline for August.

**Public Relations-** Shirley "Swirl" Lacock is still getting proclamations with no chapter names on them. You still have time to turn them in. She brought supplies for those who ordered them. When you need more please email her at swirl1130@aol.com. Please be sure to include in the request the name of the chapter and the person who will be picking up the supplies for you at the BOD meeting so she can keep track of them. Hope to see you at the state party.

**Safety & Education:** Mike has ordered 1750 more yard signs. He left the 2014 report at home, but it is done. He is looking for ABATE businesses that would make our pens & Key fobs. Share the Road brochures are here today from IDOT in a limited number. Please only take 300 per chapter. He is also getting reports with no chapter name on them. Lincolnland suggested we change the slogan in the future as it evidently upsets some people.

**Products:** Julee Thurman has a lot of embroidered large size shirts so she will not order more until they are gone. Bob displayed a polo shirt with embroidery work that would only cost eight to ten dollars to put any shirt you bring in.

Blackhawk and K left 2:30.

**Freeport motion, River Valley 2<sup>nd</sup>, to take a break from 2:30-2:45.**

#### **Unfinished Business:**

- 1. Tabled Bylaw Proposal:** Kat discussed the changes that had been made to the bylaw. River Valley had question and Kat read the motion made in April. **River Valley motion, Southern Dupage 2<sup>nd</sup>, not have as a bylaw, but as chapter voluntary program, discussion, motion carried BOD2015-09.** Opposed: none. Discussion: Heart of Illinois recognized Julie Bacon who talked about her chapter's (Central) sponsoring a youth program. Southern Illinois recognized Mick Eddington who is against having this program as we are a political organization first. Backroads asked about dues; since they are not members there are no dues. Northern Illinois recognized Elizabeth Winters who works with non- profit organizations and stated that about 70% have a youth program that teaches them political action. Central said he was inspired by those who are in the program, but feels they are an exemption instead of the norm with his experience as a teacher. Discussed liability issues if has ABATE on it, allegedly or true it can do irreparable harm. Embarras Valley stated their local American Legion has a similar program and they would be supportive. **Motion by Freedom Valley to call the question, Freebird 2<sup>nd</sup>, motion carried.** **Opposed: Chicago, Dukane, Embarras Valley, Midstate, River Valley, Will County.** Ray Heck made a point of order on behalf of River Valley, recognized Tracy Jacobson. She told about her daughter's involvement and another child who went another more negative

direction and whose parent does not want her involved. She feels the experience is positive and thanks ABATE for that. Midstate asked for clarification that this does not take away the chapters freedom to have the program, but membership in ABATE of Illinois, Inc will stay at 18. Youth programs can exist. Anyone under 18 will not be a member. Dukane stated ABATE young activists is okay at this point, but they are not members. Julie Bacon asked that the current posting on Facebook be taken down.

- 2. Exemptions-** The chapters who are exempt for tax filing purposed are Prairieland and Central. Julie has a letter from Central, has not heard from Prairieland. Prairieland's chapter rep says he thinks the chapter treasurer filed for an extension.

**Motion by Thunder Rock, Freeport 2<sup>nd</sup>, to close Unfinished Business, motion carried, none opposed.**

**New Business:**

- 1. NPV List: Motion by Chicago, River Valley 2<sup>nd</sup>, that they would like to see the NPV list abolished, discussion, motion failed.** Discussion: River Valley expressed concern that the list has not been used properly. Piasa-Gateway said this was voted down at the last meeting. **Motion to call the question by Heart of Illinois, Thunder Rock 2<sup>nd</sup>, motion carried.** Opposed: Children of the Corn, Dukane, Embarras Valley, River Valley, Southern Dupage, Will County. Opposed to abolishing the NPV list: Apple Creek, Central, Crooked Creek, Eastern Illinois, Freebird, Freedom Valley, Freeport, Great River, Heart of Illinois, Heartland, Midstate, Peo-Taz, Piasa-Gateway, Prairieland, Shoal Creek, Southern Freedom, Southern Illinois, Starved Rock, Thunder Rock, Twin Rivers.

**Motion by Thunder Rock, Freeport 2<sup>nd</sup>, to close New Business, no discussion, motion carried, none opposed.**

**PAC reports:**

**ABATE PAC:** John "Hunter John" Harris read off a list of recent donors and thanked them all. He explained how attendance at political events is set up. We are not supporting the party, but want to see the politicians and you can see many at one event in less time than going to individual offices. A check was presented from the Celebration Ride for Life put on by the following chapters: Freebird, Freedom Valley, Spoon River, Peo-Taz.

**FED PAC:** Rick "RP" Olson reiterated that we need to help the 18<sup>th</sup> Dist- Darin LaHood. Please go to his office and ask what can you do to help. He read the treasurer's report. Balance is good, but as always we would like to see more. A letter of intent was read from Elizabeth Winters. **Southern Dupage motion, Will County 2<sup>nd</sup>, to put Elizabeth Winters on FED PAC today, no discussion, none opposed. BOD2015-10**

**MRF Report:** Assistant state MRF representative Paulette Korte read an inspirational MRF article. On June 4<sup>th</sup> the Wahlberg amendment passed. Bikers in the Beltway in May was a success. MOTM is in September and Paulett would like to see more people from Illinois attend. Brookfield Sheridan will be the hotel. You can submit comments now to NHSTA concerning helmets. She expressed her concern that Illinois is no longer largest in MRF numbers; Wisconsin has passed us.

A.B.A.T.E. of Illinois, Inc. Board of Directors meeting June 13, 2015  
VFW Post, 2345 Stockyard Road, Springfield, IL  
Secretary Minutes approved August 15, 2015

Rider Education- ABATE needs to get involved in upcoming changes with cycle rider training and the MSF. They will have a session at the MOTM. Denny Lange wants all to know the Massachusetts Motorcycle Association has defeated home rule banning motorcycles in a city. Paulette went over the various state laws and bills that the MRF are watching. There will be an Off Road session at the MOTM that Hunter John is working on.

**AMA/Dist 17:** John "Hunter John" Harris reports they haven't had any meetings. AMA agrees with us on no lane splitting.

**Region Reports:**

**Northeast:** John Bloch will be taking a late shift at the state party. His region could use some help at the gate from 3-6 am Saturday. Dukane is sponsoring a Knees in the Breeze run June 14<sup>th</sup>. Events in July include: River Valley Red Robin's Drive in movie night, bikini bike wash, Corn Boil. There will be a Women's Run in August, in September is the Hooters and Scooters Ride. The NE Region Convergence run is set for September, with the date not set yet. Chicago Chapter is having a membership meeting November 8<sup>th</sup>.

**West Central:** Kevin "Cap" Goudschaal says the Regional party is set for the weekend of Sept 11-13 at the Thomas family campground.

**SouthEast:** Mick Eddington reminded all to be safe when riding he encouraged all to support their local chapters. The Freedom Riders on July 18 Chapter 27 is having their Cardboard Boat race September 12<sup>th</sup>. Freedom Riders Boogie will be Sept 19.

**East Central-** Scott Carter says the Region Party is set for July 25<sup>th</sup>. They will be selling ice at the state party and they could use some help.

**South West** –Wayne says the Marble Run has all stops set and the party will be held in Trenton.

**North West-** Dennis not here, said to read his report in the state paper. The Convergence Run June 27<sup>th</sup> ends at the Freeport Bar at State Party. He is not running next year, so get with him and learn the job if you are interested.

Pauli Ward wished to add that Jim Watson of Illinois Petroleum is donating money again this year.

**Motion to adjourn by River Valley, Freeport 2<sup>nd</sup>, no discussion, opposed: Heart of Illinois, Chicago, motion carried.**

Time: 3:45.  
Submitted by Kat Conner  
State Secretary

A.B.A.T.E. of Illinois, Inc. Board of Directors meeting June 13, 2015  
VFW Post, 2345 Stockyard Road, Springfield, IL  
Secretary Minutes approved August 15, 2015
