Dear Sir or Madam:

Thank you for your interest in A.B.A.T.E. of Illinois's new motorcycle awareness video. We are eager to have the video shown to as many prospective drivers as possible. Toward that end, this video is being made available to other state motorcyclists' rights organizations to use in their Motorcycle Awareness Program in high school classroom settings.

We suggest that you reimburse us for the cost of reproducing and shipping the video. That cost is in the \$5 - \$10 range, per video, for shipping and handling. Your donation to A.B.A.T.E. of Illinois, Inc. would be appreciated.

We also ask that you acknowledge and respect our copyright of the video. This means that our copyright information will be shown as part of the credits when the video is run and that you will not allow the use of the video, or any of its content, for any purpose other than to help educate – motorists or prospective motorists of how to share the road with motorcyclists. Also, the video is not to be copied and distributed to any other entity. The signature block at the end of this letter must be signed by an authorized agent of your organization (usually, an officer) and returned to A.B.A.T.E. of Illinois, Inc. at the address shown on the letterhead above.

Please share your thoughts on the video and how it can be used effectively. We welcome this opportunity to work with you in promoting motorcycling awareness.

Sincerely,

Elizabeth Kren
