Hello DuKane A.B.A.T.E. members!

March has come and gone and riding season is upon us! With those thunderstorms coming and removing the salt, the miles of two-wheeled therapy will be adding up, and that's much needed after the long winter we've had.

The A.B.C. – A.B.A.T.E. Bowling Classic on March 20th was a HUGE success! I can't thank Events Officer Chris Newman enough for putting on an awesome event at Bowlero in Glendale Heights. It was a great turnout with awesome biker camaraderie, and it was great to see some sister chapters (Will Co, Chicago, Northern Illinois, and South Suburban) in attendance. A huge thanks goes out to The Toy Shop & Motoulounge in Arlington Heights and to Steve Graef and Law Tigers for their support of this event. This is always a fun event and all proceeds went to the DuKane Downed Rider fund to help bikers in need. Thank you to everyone who attended! March 23rd was a great Legislative Day Event for A.B.A.T.E. of Illinois as well. Randy Ramey, John Bloch, Nathan Klapatch, and I spoke to all of the legislators in Kane and DuPage County and made great strides in adding them as co-sponsors to SB2940 for EV Motorcycles. It was a fun time for all.

The ABATEPAC and ABATE FEDPAC grading sessions are coming up on April 9th in Springfield. As a trustee of both, I will be in attendance. Surveys have been sent to over 360 legislative candidates and to 7 Secretary of State candidates. Locally, we have 3 candidates that have been sent the surveys as well. Those 3 are Kane County Sheriff Ron Hain, DuPage County Sheriff James Mendrick, and Candidate for DuPage County Board Chair Greg Hart. All three of these individuals have been great friends to DuKane A.B.A.T.E. and have worked side by side with us to make sure that Kane and DuPage County work with motorcyclists to ensure the rights and freedoms that we fight for. All of the legislative, local, and Secretary of State Candidates have also been sent an A.B.A.T.E. of Illinois Pledge to sign that says that will look at motorcycles as primary modes of transportation in regards to the future of transportation and infrastructure in Illinois. Myself and Vice President/Legislative Coordinator Randy Ramey will be watching what ABATEPAC and ABATE FEDPAC do with grades and endorsements and will from there be bringing in candidates to speak at future meetings. These grades and endorsements will also be in a newsletter, so stay tuned to see where your candidates stand on motorcyclists' rights!

President: Chris Hansen

When we met on March 20th at the A.B.A.T.E. Bowling Classic at our Northeast Region Meeting, I informed the other chapters of the motorcyclist profiling businesses in the area. The Town Bar & Grill in Aurora, H-D Rockers in Maple Park, and Brauer House in Lombard are all “no cuts/colors” businesses. We will continue to work on this issue extremely hard, but at this time I would advise you not to visit these establishments. If they refuse to serve us based on what’s on our vests, then they certainly don’t need our money or support.

Make sure to join us on April 19th for our next DuKane A.B.A.T.E. Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. These meetings are beyond important to attend as you’ll hear reports from all your Board Members and find out what’s happening with the DuKane Chapter in 2022. We are a stronger force in numbers, so make sure you attend! Continue watching ‘This Week in A.B.A.T.E.’ every Wednesday on Facebook Live, keep letting Governor JB Pritzker and Christian Mitchell know that #MotorcyclesArePrimary, and remember in an election year that WE HELP THOSE THAT HELP MOTORCYCLISTS!

COMING UP:

Just in time for ABATE of ILLINOIS Legislative Day on March 23rd, the Illinois House and Senate will be in session the week of March 22-25. We will be speaking to legislators on their support of SB 2940, the inclusion of motorcycles as electric vehicles. If you haven't already, please reach out to your State Representative to make sure they are co-sponsoring this bill! The bill is in the House Rules Committee and will hopefully be assigned to a regular committee soon. We will be speaking to Representative Hoffman, who is the House sponsor, on the movement of the bill.

Friday, March 25th is the committee deadline for bills in the opposite chamber. Three weeks remain in the scheduled spring session.

GOVERNOR'S HIGHLIGHTS:

Adult-Use Cannabis Update: The Illinois Department of Financial and Professional Regulation (IDFPR) is filing rules to simplify the cannabis dispensary license application process, remove barriers for social equity applicants and expand opportunities to target the communities most impacted by the war on drugs. IDFPR is required by statute to issue at least 50 new adult-use cannabis dispensary licenses by the end of the year.

SECRETARY OF STATE UPDATE:

Illinois Secretary of State Jesse White announced that expiration dates for driver's licenses, ID cards and learner's permits are being extended until July 31, 2022. The previous extension was set to end on March 31, 2022. This extension does not apply to commercial driver's licenses (CDL) and CDL learner's permits.

102nd GENERAL ASSEMBLY:

The Illinois House was in session this week, March 15 - 17. The House focused primarily on considering legislation at the committee level. The Illinois Senate was not in session this week, however several appropriations subcommittees held virtual hearings to review agency budget requests.

The Appropriations committees in the House and Senate finished the task of examining agency budget requests this week. Both chambers will now begin the process of identifying and prioritizing changes they would like to see to the Governor's introduced budget and then work together to see how those priorities align. The goal remains to pass a budget by April 8th.

Legislators are also wrestling with how to allocate the remaining \$3.5 billion in ARPA funds and how much of those funds should be kept in reserve. Leader Harris said budget makers are receiving worthy requests from numerous sectors such as hotels, the hospitality industry, arts, culture, museums, other business groups, and affordable housing providers. Right now, \$2 billion in ARPA funds are being targeted to address the shortfall in the Unemployment Insurance Trust Fund although Harris said that figure could change pending the outcome of negotiations.

Vice President/Legislative Rep.; Randy Ramey

102nd GENERAL ASSEMBLY Continued:

Legislation to address the shortfall in the Unemployment Insurance Trust Fund, [SB 2803](#) (Holmes/Harris), passed the House Executive Committee by a vote of 9-5 and is now pending before the full House. As currently drafted, the bill appropriates \$2 billion of ARPA funds to the Unemployment Insurance Trust Fund - an amount which only partially addresses the \$4 billion shortfall. Leader Harris noted this week that the \$2 billion appropriation represents 25% of Illinois' ARPA funds and is consistent with the amount other states are allocating from the federal funds. Negotiations continue on how to address the remaining \$2.5 billion shortfall. Options on the table include bonding the remaining portion of the debt. Negotiators hope to reach a solution that will restore a surplus to the Trust Fund.

Legislation to create the Manufacturing Illinois Chips for Real Opportunity (MICRO) Act, [SB 3917](#) (Glowiak Hilton/Halpin), was the subject of a hearing before the House Revenue Committee this week. The bill creates incentives for companies to relocate or expand microchip operations in Illinois. SB 3917 is scheduled for another hearing in the House Revenue Committee next week.

House Democrats unveiled legislation this week that they say represents Illinois' response to Russia's war on Ukraine. House Amendment # 1 to [HB1293](#) (LaPointe) creates the Money Laundering in Real Estate Task Force to assess the exposure of real estate sectors in Illinois to illicit Russian money. The amendment further grants the Department of Human Services emergency rulemaking authority to create a Ukraine Refugee Resettlement Program to provide resettlement services, including health care services, mental health services, and English language services, to certain Ukrainian nationals. The amendment also prohibits the investment of State monies in certain investments or institutions tied to Russia or Belarus. The amendment is pending in the House Rules committee. HB 1293 is on 2nd Reading in the House.

2022 Key Session Deadlines:

March 25: Deadline - Committee deadline for bills in opposite Chamber

April 1: Deadline - Third Reading deadline for bills in opposite Chamber

April 8: Adjournment

Thank you,

Randy

Treasurer: Mark Del Monaco

Life is full of mundane little things that, when accomplished appropriately and completely, compile into a job well done... but often not all that interesting to talk about at parties and newsletters, lol! There's bill paying, invoices, accounting of funds in our General, Downed Rider, and Toy & Food run accounts, Banking details, debit card charge verifications, travel expense reports, membership income and percentage portions to pay to Abate of IL, fees for credit card processing, fees for - oh geese! - every time you turn around, etc. This level of detail and due diligence is kinda how I feel about the DuKane Abate Treasurer's duties, but I fully understand the importance every-little-bit is to our Chapter. We certainly would eventually grind to a halt and get in financial and legal trouble without paying attention to every detail. This, I have agreed to do and I'm not going to let you down.

In March, events were the Maple Park Fire Station Polar Plunge (not certain if anyone participated), The DuKane Abate Bowling Classic, and our participation in Abate Legislative Day in Springfield, IL. There was no income or expense for the Polar Plunge; The Bowling Classic was a success with donations, membership new/renew, etc., and of course the expenses to sponsor the event; Legislative Day is all expense for our members, Nathan Klapatch and Randy Ramey, who attended in Springfield. Our 2022 rent for the American Legion Post #300 hall was paid.

If you have questions, comments, or improvement recommendations, just go to our home page, <https://dukaneabateil.org> click the "Board Members" navigation line, and you'll find a "Send Email" link to get in touch with me. I'll do my best to respond quickly and thoughtfully.

Newsletter: Mike Nicholson

Hi DuKane,

You might notice that when I have a few lines in the Newsletter it moves about from time to time. Sometimes There is an item that is longer than usual and uses part of a second page. I'll drop an item in to fill the page. Or I become the writer of the item. Other times a given writer hits a lull in activity to pass on, explain or such. And, like Spackle there I am filling holes and cracks. That explains my being way up here instead of further on trying to hide in the weeds.

Speaking of filling holes you may have noticed the Illinois State Flower has begun to bloom in what may be record numbers. These come in all sizes and colors. They are a fast growing breed. Drive to the store and all is clear. Just a short time and on the way home the asphalt fields are filled with edge to edge blooms.

I'm not going to go where you think and try to blame IDOT or the County/City/Village/Township Highway Departments. If you take a minute and talk to anyone in those jobs they are very likely to agree something should be done.. And, probably, they will say they want to do something. But, the speed of these little buggers keeps them from catching up. Also they may not have all they need. The asphalt plant can't keep up or may be closed due to weather. Heck, they are as likely to have a problem as you are.

So what can you do? First if you see a crater that is a hazard, making cars or bikes swerve or bounce in to other lanes, call it in. Nobody can fix what they don't know about. Second, be proactive. Until the season passes somewhat wear some protective gear. Gloves, jacket and if you like a helmet. Third, ugh, slow down a bit. Give yourself some more time to see and avoid those rim eating buggers.

It looks like as Spackle or some good hot patch does I have filled a hole or crack and, maybe?, done some good along the way.

Hey, everyone,

Not long ago, I had the chance to attend ABATE's Legislative Day at the Illinois Capitol. There were quite a few firsts that I had during my visit: my first time attending this event, my first time stepping into the Capitol, and my first time having a conversation with my State Representative. I was certainly glad to have those firsts and to help garner support for the bills that ABATE supports!

But the capitol wasn't the only place we connected with the legislature: we also had a reception which many politicians attended. This was nice, since it gave me more time to meet up with old and new friends alike. And I'm not just talking about State Reps and Senators, since there were other state-level candidates at our reception. In particular, gubernatorial candidates Richard Irvin and Gary Rabine were there, each taking the time to connect with us and get a few pictures! This means that we had multiple candidates for governor express interest in us.

So it was a fun and productive day, and I'm glad that I made it.

It was outstanding to see all of you at our 5th Annual ABATE Bowling Classic Downed Rider Fund Event! The turnout was great, the team from Bowlero was gracious, and the competition was fierce! We congratulate the winner of the 9 Pin-No-Tap Tournament, Jose Garza. 2nd place went to Nichole Fleischer, and 3rd place was won by Mr. Joe Barnes. The Open Bowling Champions are Chap with a first place win, Matthew Gasiamis in 2nd place, and rounding out 3rd place is Liz. Trophies were provided by **The Law Tigers**.

A special thank you to our sponsors, Steve Graef representing **The Law Tigers** and Mike Taylor owner of **The Toy Shop & Motolounge**! Polly Jones was the happy winner of the main door prize, a \$300 set of tires provided by **The Toy Shop and Motolounge**. Polly goes through tires! She put on 25,000 miles on her motorcycle last year! The runner up door prize winners are Angelina Squeo and Molly Robin. Two \$75 value gift bags provided by were provided by **The Law Tigers**. Thank you DuKane ABATE Santa Girl DeeDee Hanczar for all of your help with the 50/50 and Door Prizes. Thank you to all of the other ABATE of Illinois Chapters that participated, as well as the Hog Wild Bowling League and the Stilettoes on Steel group. A good time was had by all. See you there next year!

Motorcycle Awareness Day is fast approaching. Join your friends from ABATE, Elburn Police Department, Kane County Sheriff's Department, and Knuckleheads Tavern in Elburn for this important event. Everyone is welcome to join us in spreading awareness of the scourge of all motorcyclists, distracted drivers.

What fun it is to identify drivers yapping on their cell phones while on the road, as the local Law Enforcement Officers peruse the offenders and inform them about the finer points of Distracted Driving Laws. It took under 4 minutes to spot the first offender last year!

Meet us at the Elburn BP gas station, corner of RT 38 and RT 47, at 11:00 am to set up and get intersection assignments. We wrap up at 2:00 with a complimentary lunch provided by our friends at Knuckleheads Tavern in downtown Elburn. This is a no fee event. Any questions, just ask. See you there!
