Hello from DuKane A.B.A.T.E.!

May is almost over, its Primary Election time, and the miles are piling up from our members as the beautiful weather has arrived!

May was an incredibly busy and successful month for the DuKane chapter. It was great to receive Motorcycle Awareness Proclamations to bring awareness to cagers that we're back on the roads, especially receiving a proclamation from Wayne Township Supervisor and DuKane A.B.A.T.E. Vice President Randy Ramey. Your Safety & Ed Officer Steve Waltz and Mark Garrison continued to get into classrooms to make sure students are aware of motorcycle safety, including a class that Mark Garrison spoke to at Waubonsie Valley High School with Illinois State Senator Linda Holmes. And, Events Coordinator Chris Newman, PR Coordinator Nathan Klapatch, Horsepower, Big Andy Pesek, myself, and others had a great time attending Biker Sunday at Warehouse Church in Aurora, IL. We'd like to thank Pastor Randy Schoof for having DuKane A.B.A.T.E. in attendance for almost 2 decades. We absolutely love attending this Service and event!

Another great event that happened in May was Motorcycle Awareness Day in Elburn, IL. This was incredibly well put together – as always – by Chris Newman as we teamed up with the Kane County Sheriff's Department and the Elburn Police Department to make sure people know that motorcycles are back on the roads and to put the cell phones down. If they happened to pass through on their phones, they got to have a nice conversation with an officer about why this is illegal in Illinois. It was a very well attended event, including attendance by Board Members Randy Ramey, Chris Newman, John Bloch, Amy Nelson, Steve Waltz, and Nathan Klapatch. It was also a treat to have ABATEPAC Endorsed Gubernatorial Candidate Darren Bailey stop by and help us spread the word. The day ended by having lunch at Knuckleheads Tavern – a HUGE DuKane A.B.A.T.E. supporter – and we'd like to thank Dan and Shelly for inviting us in for a great time as always. If you're riding through Elburn, make sure to stop in at Knuckleheads as we support those who support us.

I want to touch on last month's article in the newsletter about Brauer House in Lombard. They were banning motorcycle clubs, cuts, and colors at their bike night events. I'm happy to announce that after a lot of hard work by motorcyclists in the area and good conversation, Brauer House has removed that policy and all motorcyclists, clubs, and colors are welcomed at the event. Thank you to Steve Brauer and Brauer House for understanding why this was a problem and removing the ban.

SOME GOOD NEWS!!!

**MOTORCYCLE CLUBS
ARE NOT GANGS!**

Get out on June 28th and VOTE! It's Primary Election Day and the first part to ensuring that elected officials in office are put in place that fight for the rights and freedoms of motorcyclists in Illinois. Don't just sit idly by and think that everyone else will vote them in. Get off the couch, get out, and vote! ABATEPAC/FEDPAC endorsed candidates in the DuKane area are Kane County Sheriff Ron Hain, Gubernatorial Candidate Darren Bailey, and Congressional Candidate for IL03 Justin Burau. Refer to the May A.B.A.T.E. of Illinois newsletter for the printed ABATEPAC/FEDPAC Voters Guides to know where your candidates stand.

Up next is the DuKane A.B.A.T.E. Bikini Bike Wash on July 16th at Knuckleheads Tavern in Elburn, IL and the 7th Annual #Sethtastic Motorcycle Run on July 23rd starting at Fox River Harley-Davidson in St. Charles, IL. These are 2 great events and ones we're hopeful to see all of you at.

Make sure to join us on June 21st for our next DuKane A.B.A.T.E. Monthly Membership Meeting at the West Chicago American Legion Post #300 at 7:30 SHARP. Candidate for DuPage County Board Chairman Greg Hart will be our guest speaker. These meetings are beyond important to attend as you'll hear reports from all your Board Members and find out what's happening with the DuKane Chapter in 2022. We are a stronger force in numbers, so make sure you attend!

Continue watching 'This Week in A.B.A.T.E.' every other Wednesday on Facebook Live, have plans on June 28th to GET OUT AND VOTE, and take advantage of the beautiful weather and ride, Ride, RIDE!

Get Out – Ride Safe – Ride Free

Important messages to take to heart. It's good to know there are good people doing good works.

Vice President/Legislative Rep.; Randy Ramey

Hello All,

SB 2940 is now Public Act 102-0820! The governor signed it on May 13th to much fanfare I'm sure. Electric motorcycles will now be a part of the infrastructure conversation and you will get a \$1500 rebate if you purchase one. Thanks to all who contacted their Reps and Senators!

Here is other news to digest.

102nd GENERAL ASSEMBLY:

State Senator Rachelle Crowe was unanimously confirmed by the U.S. Senate to serve as the United States Attorney for the Southern District of Illinois. Crowe is expected to officially resign her Senate Seat in the coming days.

ELECTION UPDATE:

Early voting for the June 28th primary election began Thursday, May 19th. The Chicago Tribune compiled a [guide](#) to the Illinois primary elections.

GOVERNOR'S HIGHLIGHTS:

Census Update: The Census Bureau released updated census numbers showing that it undercounted Illinois' population by 1.97% in the 2020 Census. The undercount was discovered in a follow-up survey the bureau conducted to measure the national tally's accuracy. The net effect of the undercount means Illinois' population actually grew by roughly 250,000 rather than shrank by 18,000.

Social Equity Licenses: The Illinois Department of Agriculture issued the first pre-construction permits to social equity licensees established under the Cannabis Regulation and Tax Act, which clears the way for the businesses to begin construction. The Department issued permits to Galaxy Labs, Mint Cannabis, and Star Buds Illinois.

- Galaxy Labs, located in Richton Park, is 100% Latino and Black-owned
- Mint Cannabis, located in Forest Park, is 51% Latino-owned
- Star Buds Illinois, located in Rockford, is 66% Black-owned

Family Planning Clinics: The U.S. Department of Health and Human Services granted the State of Illinois \$5.4 million to support and expand access to family planning services for low-income populations across Illinois. This federal grant, coupled with \$5.8 million in state GRF, equates to \$11.2 million which will be allocated to 29 delegate agencies that operate 98 family planning clinics throughout the state. The new HHS grant to the Illinois Department of Public Health will support access to Title X services under the Illinois Family Planning Program.

Nearly 100 family planning clinics throughout Illinois will benefit from \$11.2 million in funding that will span seven fiscal years, beginning July 1. The funding is a combination of monies from both the federal (\$5.4 million) and Illinois (\$5.8 million) governments. The funding to the Illinois Department of Public Health will help support and expand Title X services in Illinois. More info [here](#).

Hospital Assessment: Governor Pritzker signed [HB 1950](#) which extends and expands the Hospital Assessment Program through 2026. The new law helps ensure cash-flow predictability for hospitals, tying greater funding to higher Medicaid use to protect safety net hospitals. Also, certain hospitals are re-classified, and some tax exemptions and waivers are enacted to help hospitals recover from the effects of COVID-19.

Ghost Guns: Governor Pritzker signed [HB 4383](#) which bans statewide the sale and possession of so-called 'ghost guns' – unserialized, privately made firearms often sold as a set of parts to be assembled at home.

Rural Healthcare: Two bills were signed concerning rural healthcare. [SB 3017](#) amends the Loan Repayment Assistance for Physicians Act to address the shortage of healthcare providers (especially obstetrical services) in rural communities. [SB1435](#) amends hospital licensing procedures to assist with health center mergers and increased healthcare coordination in rural districts.

New Laws: The Governor signed over 100 additional bills into law this week.

Thank you,

Randy

Education and Safety; Steve Waltz

May is motorcycle awareness month and many ABATE Chapters are bringing the message of watch out for motorcycles front and center. The problem is that motorcycle awareness isn't just a one month per year issue.

We need to make sure that drivers watch out for motorcyclists every month of the year. Each of us that ride see every day cagers on their cell phones sitting at traffic lights texting away, driving while holding cell phones in their hands and reading emails while driving down the road. Even with Illinois making improper use of cell phones, while operating a vehicle, a moving violation many municipalities don't enforce this with any effort.

In 2002 there were 4.3 million motorcyclists in the United States by 2021 the number had increased to 8.6 million. With the price of fuel heading toward \$6.00 per gallon more and more motorcycles will be hitting the road. It is up to each of us to make sure that those driving cars and trucks aren't hitting us.

Each of us have a responsibility to make sure that people put down the phone and drive. There is never a call or text message that is so important that it is worth the life of a motorcyclist. Each and every one of us when we leave home expect to return in one piece.

It is up to all of us to keep motorcycle awareness in the forefront each and every month not just in the month of May.

Hey, everyone,

We're a busy chapter this month! We've hosted our Motorcycle Awareness Day and been to few other motorcycle events, too! With Biker Sunday at the Warehouse Church, Fox River's Birthday Bash, and our upcoming Memorial Day Parade in Maple Park, we'll have been participating in quite a few events this month!

With this in mind, I've gotten quite a pictures of these events, more specifically of Biker Sunday and Motorcycle Awareness Day. As usual, they're on Facebook and on our website for your viewing pleasure!

I hope you have fun riding this month!

Newsletter: Mike Nicholson

Hi all,

I'm sitting outside, enjoying the sun, gentle breezes and a couple beers while putting this Newsletter together. I can't do this by myself. You may have noticed several names on the tops of various pages. Those are the folks who actually write the newsletter. They write the content, take the pictures and do all the grunt work needed to bring this to you each month. My "hard" work is making the words and pictures are all in order and fit the pages. Oh, and running a spell check.

So I get to see all the content before everyone else. I read about Biker Sunday at Warehouse Church and Pastor Randy Schoof. I saw the pictures and comments from Motorcycle Awareness Day. I learned about the Motorcycle Awareness Proclamation from Wayne Township Supervisor and DuKane A.B.A.T.E. Vice President Randy Ramey. I was glad to know our Safety & Ed Officer Steve Waltz and Mark Garrison continued to get into classrooms to get the word out to those just learning to drive. We also heard a bit about politicians running for office.

I also got to see all the flyers for upcoming events. I'm always amazed by all the good works and charities that are supported by the motorcycle community. We all come together and help those who are in need of assistance. The range of causes is amazing, Vets, those who have been victims of bullies, people who are battling illnesses that are still searching for a cure are all in that list. Of course there are a few just fun items as well.

This got me to thinking. We are all free to decide what causes to support, or not. We are free to go to a Bike Blessing, or not. Chris Hansen asked us to come to the next meeting, but we are free to come, or not. The politicians running for office rely on our participation in the process and our being free to vote for those we choose to represent us. The common thread is us being free to act as we wish. But, like the newsletter it took others to keep us free to decide these things.

Memorial Day is in just a few days. It is a day to remember those who stood up to insure we are free to make those choices in in doing so gave their lives. Take a few minutes on Memorial Day to remember those sacrifices. Maybe take a moment for a thought, prayer or wish for those they left behind.

Because of their actions you are free to do this, or not.

I hope to see you along the road,

Secretary: Amy Nelson

GUEST SPEAKERS (if any)

President – Chris Hansen

Chris let everyone know that due to the hard work of motorcyclists in the area, Brauer House has backed off on their no colors/clubs/1%ers policy and now welcome all riders. J.B. Pritzker signed SB2940 into law making sure that motorcyclists will be a part of the transportation and infrastructure future in Illinois. Pritzker also signed a proclamation making May Motorcycle Awareness Month in Illinois. While we may not be a fan of Pritzker, we still have to give him props for that. Chris yielded his time to and recognized Andy Pesek who wanted to discuss motorcycle fatalities and getting motorcycle awareness out to the public, not just each other. A lengthy discussion was had on this topic, including getting a PSA out and local media involved.

Wow! What a month. Your DuKane ABATE Membership team has been busy. We kicked it off at Walneck's Woodstock Swap Meet. Buzz offered us the finest spot on site, right by the entrance, to set up our Membership Booth. We met ABATE Members from several adjoining states. John Bloch and I shared the good news of ABATE with all who stopped by. It was a great day, until the monsoon cleared out The McHenry County Fairgrounds. Please join us for the 3 other Walneck Woodstock Swap Meet dates this year, June 28th, August 21st, and October 16th.

On May 1st Randy Schoof invited us to set up at his legendary Motorcycle Sunday Bike Blessing at the Warehouse Church in Aurora. It was a great day as always. Several DuKane ABATE Board members and many DuKane members were in attendance. We were honored to be right next to our friends from the Christian Motorcyclists Association (CMA). Great food and great company made for an awesome day. Be sure to be there next year!

On Tuesday May 10th was our 2nd time this season attending Cycle Gear Bike Night at the Promenade in Bolingbrook. Cycle Gear welcomes DuKane to set up a booth to promote ABATE. They host a Bike Night on the 2nd Tuesday of every month from 5:00 PM to 7:00 PM. Maxx Rockatansky from Will County ABATE joined me at this happening. Our friends from CMA were there keeping the traffic flowing safely. This event draws a wide variety of bikes and riders. Everything from cruisers to sport bikes, stretched out drag bikes to stretched out choppers, even Honda Monkeys and scooters, over 400 riders were in attendance! Excellent food is always available. Stop by and say hello on Tuesday June 14th!

Fox River Harley Davidson had their Birthday Bash on May 21st. Thank you Brian Rapier for inviting us to set up our ABATE Membership tent. Lisa and I spoke to several people about the great things ABATE does for the motorcycling community. Holy cow, Fox River Harley Davidson knows how to throw a party! Even though the band pulled out early due to excessive moisture, a good time was had by all. Excellent smoked meats were provided by Smileys BBQ, I partook of the delicious brisket sliders. Axe Legends brought out their famous axe tossing trailer and other games of skill. Do not miss the Fox River Harley Davidson Birthday Bash next year.

I could use some help covering these local events promoting ABATE to the Illinois motorcycling community. Please let me know if you can lend a hand.

Membership Coordinator is an open Board Of Directors position for DuKane ABATE. Please step forward and be heard if you are ready, willing, and able to help your ABATE Chapter in maintaining our Membership rooster. The new database system ABATE of Illinois has implemented made the task much easier. Spring is in full swing. So many events coming up, I wish I could be everywhere all at the same time! Check the fliers in this newsletter for upcoming event details. Follow DuKane ABATE on all social media outlets for future events.
